LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Adjective Issues For Esl Writers

Descriptive adjectives are perhaps some of the most useful adjectives for ESL students to master. These are the adjectives used to describe the size, shape and color of places, people, things and ideas. Descriptive adjectives allow writers and speakers to modify a noun and paint a vivid picture of that noun in the mind of the reader or listener.
