It began as a series of hardcover books known as The American Film Institute Catalog of Motion Pictures, and subsequently became an online database exclusively.

AFI Catalog of Feature Films - Wikipedia

From 1968 to 1971, AFI researched the 1920s decade of film production (1921-1930). Records for every American feature film released during this time were published by the University of California Press in 1971 as encyclopedic volumes. The 1920s AFI Catalog was embraced by academics as the foundation of film preservation and cultural heritage.
