Charlie Parker is generally acknowledged to be the fountainhead of contemporary jazz. Although he was a saxophonist, he had a profound effect on trumpeters. One of Parker's innovations was the abandonment of the 12/8, downbeat-oriented style of the swing era and the adoption of an even eighth-note approach with accents primarily on the upbeats.

The Art of Jazz Trumpet is by far the best book on the subject I have seen to date. The exercises sound incredibly hip and were challenging to play. The ideas for playing over chord changes have totally changed my conception of the horn. The history of trumpet is also fascinating, and McNeill's take on influences is truly unique.
