Learn the art of business bartering - 9Finance

Bartering is when two people trade or exchange one thing for another without using money. Bartering is probably the oldest form of economic activity and has been done even before the invention of money currency. It can involve the exchange of good or services, or both. Some common examples of bartering include:

Bartering Laws | LegalMatch

In trade, barter (derived from baretor) is a system of exchange where participants in a transaction directly exchange goods or services for other goods or services without using a medium of exchange, such as money. Economists distinguish barter from gift economies in many ways; barter, for example, features immediate reciprocal exchange, not delayed in time.

Barter - Wikipedia

Bartering isn't just a simple transaction — you have to engage with people and often learn more about them than you would with a cash purchase, says Shera Dalin, coauthor of The Art of Barter: How to Trade for Almost Anything. "When life gets harder, people get excited about bartering," Dalin said.
