Beginner's Guide for Law Students by Duard Kleyn

Law: A Beginner's Guide. Law is defined as "the system of rules, which a particular country or community recognizes as regulating the actions of its members; and which it may enforce by the imposition of penalties". Study of law deals with the values, practices, and institutions of law and legality. Today, the study is interdisciplinary; and the curriculum is designed to help understand how law has shaped and evolved; and what all factors (political, economic, cultural) have influenced ...

Law's Beginners' Guide

Beginner's Guide for Law Students goes further in exposing students to critical voices on existing law and encourages students to start developing their own informed opinions about the legal system and what it can and cannot achieve in addressing South African problems today. Students are invited to continuously reflect on the implications of the 'transformative' Constitution of the Republic of South Africa, 1996 for the various dimensions of law.
