Big Data Kpmg

KPMG and Microsoft solutions Technology innovation is shaping the way organisations operate, and getting it right can mean a sustainable advantage over competition. A Pragmatic Guide to Big Data & Meaningful... The benefits of Big Data in everyday life are increasingly self-evident.

Big Data - KPMG Belgium

KPMG recently helped a client with such a project focusing on Big Data Analytics, by assisting one of the largest payments providers in Europe with building three large data science Proof of Concepts (PoC) on one central Big Data Hadoop-based data lake. KPMG configured the Hadoop cluster, initially installed by Hortonworks, and subsequently ingested data from a number of source systems into the data lake.
