Bridge Is A Conversation Part
Bridge is a Conversation is a guide to bridge fundamentals for players who already have an understanding of the basics of the game and the desire to improve their competitiveness at the bridge table. The goal is not to teach how bridge systems are built, nor to describe their content, but rather to clarify how to use them the way the best players in the world do and to offer an alternative to simply "playing by the book."

Conversation is carried on at the bridge table in the language of the bidding and the play of cards. Any other conversation during the bidding or play of the hand is distracting (and therefore discourteous), revealing (and therefore improper and even illegal) or misleading (as with coffeehousing).

Bridge Terminology | American Contract Bridge League - ACBL

The interior of the arch takes the form of a parallelogram, rather than a rectangle or square. Using a skew arch allows a bridge to cross a span at virtually any angle, rather than just a straight line. Superstructure: The superstructure is the part of the bridge that absorbs the live load. (The abutment, piers, and other support elements are ...
