Communication Strategies for International Graduate Students

Do not say one thing and express something else through your body language. Be aware of how your non-verbal communication relates to your spoken words. If someone else seems to be sending a double message — by saying one thing and expressing something else in their body language — ask for clarification.

Communicate: Strategies for International Teaching ...

English Communication for International Teaching Assistants. Often, in classrooms dedicated to preparing ITAs for upcoming teaching responsibilities, teachers face a struggle, constantly trying to balance speaking, listening, and pronunciation, as well as cultural and strategic training. A new textbook, English Communication for International Teaching Assistants, by Gorsuch, Meyers, Pickering, and Griffiee (2010), may be a solution to this problem as it effectively addresses the many needs of ...

English Communication for International Teaching Assistants

You might want to say something like "A key point is..." Use the same (or at least similar) phrase, tone of voice and gesture every time. Allow and encourage students to tape-record your classes. Many students with language difficulties listen to the words several times and review the tape for main points.
