...

The basis of unfair dismissal law is that employees have the right to be treated fairly. In making a claim, the employee needs to demonstrate that they were dismissed; to successfully defend the claim, the employer needs to show that this dismissal was fair because it was for a specific reason and was handled properly.

A dismissal is when an employer ends an employee's contract. It usually means the same as being sacked or fired. It's important that an employer uses a fair and reasonable procedure to decide whether to dismiss someone. If they do not, an employee could make a claim for unfair dismissal, even if the reason for dismissing them was valid.
