Dreams do come true - The Martha's Vineyard Times The power of dreams, however, only applies to outcomes that can be at least partially controlled by a person who knew of the dream. However, some dreams come true without any intervention or "post-dream" action that could have been controlled by the dreamer or anyone who knew the content of the dream. Evidence points to the idea that dreams can also be a synthesis of a person's conscious and subconscious memories—a synthesis of real clues that make it easier to accurately anticipate ...
