I like to leave the paper on until the piecing is complete. For the majority of the patterns on this page, that is my best advice. However, when you work on more complicated paper piecing patterns, like English Roses, I can't always wait, and do start removing the paper early from the centers.. The starch helps

hold and stabilize any bias edges.

Free Paper Piecing Patterns Library

Using basic English paper piecing (EPP) techniques, you can create a variety of projects to show off your new skills. These patterns all incorporate EPP by using hexagons, pentagons, or other shapes to add a lot of interest to your final design.

English Paper Piecing Patterns for Beginners

You'll need a template for English paper piecing, and you'll use it in two ways: to cut your fabric and to baste to your fabric so you can attach the pieces together. Sometimes acrylic templates are used for cutting the fabric and then the paper templates are used for basting. It's also okay to use the paper template for cutting as I've done here.
