the ...

This article argues that the discourse on gated communities is constituted by and constitutes class divisions and social class markers prevalent in the country since the fall of Communism. The “new” capitalistic system with its inherent social divisions is described as creating demands for “new” forms of housing where gates function as separators, protectors, and class identifiers.

Gated Communities and the Construction of Social Class

...

Gated communities are usually portrayed as ghettos in which the rich choose to seclude themselves out of fear of others and an exacerbated desire for security. According to Eric Charmes, this assessment ought to be more nuanced: many of the criticisms directed at gated communities are ill founded.
