Webster Kitchell has written (to my knowledge) three books featuring theological and ethical conversations with Coyote. These are great thoughtful books from a Unitarian Universalist minister who makes me think deeply. I love the guy. I love the books. 'More Conversations With God's Dog' is a short book but full of wisdom.

Serving all over South Texas, we rescue and foster abused, abandoned, and neglected dogs until they can find their "forever" homes, whether in Texas or another part of the country - even Canada! We have been "Rescuing God's Lost Dogs" since 1995.

### God's Dogs Rescue - "Rescuing God's Lost Dogs" Since 1995

Sure, coyotes have a collective value to the natural environment and the functioning of an ecosystem, but the individual coyote does not have the same value of a person's pet. People care for and often love individual dogs and because of our own significance those dogs gain a greater value. Our Value to God. The same can be said of us.

Ryden observes a coyote family for two years, and writes about it in an engaging way. She begins to know each coyote, gives each one a name, observes their interactions and the pups. I learned a tremendous amount about coyotes and their coming and goings from this book. Although written in the 1970's, its even more relevant to today.

Page 1 of 3 - The Coyote Gods Website is Gone - posted in Predator Hunting and Calling: I don't know the story, but John-Henry and Vic's "Coyote Gods" website is no longer online. I reviewed their video on this site back in the late 1990's. To this day, I have never seen anyone who shoots as well as Vic did on moving predators. It's a shame, as their site gave really good information.
