\$100, but that is only in the younger stage until it turns two - three years old.

All You Need to Know About Taking Care of African Grey

...

An African Grey parrot is one of the most intelligent birds we know. It needs lots of affection, freedom of movement, enough opportunities to keep occupied and regular contact with a person it knows and trusts. Frequent and long hours of being left alone combined with the restriction of movement in a cage are very harmful to parrots.
