Engine Start/Test Stand Plans

THE BEST DAMN ENGINE STAND. THAT MONEY CAN'T BUY . As I stripped the engine of intake, heads, oil pan and water pump... I finally removed enough weight (about 250 #s) to force the stand to let me roll the block over to get the crank out and punch out the pistons... the bare block was just about the max that my old blue stand could endure.

THE BEST DAMN ENGINE STAND - jniolon.classicpickup.com

Homemade Engine Run Stand. Raw materials as picked up from MetalSupermarkets.com. They have a reasonably local office about 15 minutes away, and the owner is really cool. Doesn't charge me for cuts as long as there aren't too many. All prices are by weight, so having them cut square tubing to size is real convenient.

Homemade Engine Run Stand - Woodbridge Data LLC

Start by cutting four pieces of 2x4: two pieces that are 36" long, and two pieces that are 24" long. The 36" pieces will form the base of the motor stand. Take the two 36" base pieces, and decide which will be the forward ends and aft ends. Measure and mark a line 16" aft of the forward ends.

Build your own portable outboard motor stand.

A couple final shots of the basic stand. I would easily rate this stand at a 3,000 lb capacity. Should hold the engine without being bouncy or springy from the weight: I built a set of grips to hold the block to the stand from the flywheel end like most stands do. Also from the front of the block, and from the valley pan rails.

Heavy Duty Engine Stand | The H.A.M.B.

I needed an engine stand for the 5.0 to hang on for its build up. I looked at a bunch of off the shelf options; amazon, ebay, autozone, TSC, HFT and so on. I...

DIY AWESOME Heavy duty engine stand, Geared spinning head ...

A motor stand, especially one on casters, makes maintenance and storage a breeze. You can buy a manufactured stand, like this one from Garelick, but if you have a few spare 2x4s and some deck screws, you can make one for next to nothing. All you need is a good set of plans.

Plans for a Harley Motor Stand Posted by Mustari Brand on January 23, 2013 February 4, 2013 If you have more time and tools than cash make yourself a stand for your V-Twin before it comes out of the frame, if you don't already own one.

Plans for a Harley Motor Stand - MustariBrand

The fix involves pulling the engine back out and repairing the damage. It would have been nice if we had a test stand where we could run the engine first and uncover the fault where it would be easy to repair. Maybe the guys at Summit Racing have been there too because they just released a simple, self-
