How Judges Think Richard A

In the process, judges, at least in the unique American judicial system, inevitably act as legislators and, yes, as human beings, they are influenced by life experiences, political beliefs, and psychological make-up. The result is a highly sophisticated and nuanced discussion of how judges think, or at least how they should think.

A prolific and brilliant writer, Posner's How Judges Think is perhaps his most illuminating work for its profound, and sometimes polemical, insights into the judicial process...Judge Posner's examination of the issues is thorough, scholarly and riveting. He has written an important book—a must read not just for lawyers, but also for anyone who wants to understand how the inscrutable, and sometimes oracular, process of judging really works.

review 1: I had read some of Richard Posner's How Judges Think in draft last year, but have resumed reading the book now that it has appeared. Every member of the United States Senate should read it, so that we might have meaningful confirmation hearings on federal judges. Our public discourse about what judges really do proceeds at an infantile level; Judge Posner's bracing book could help it ...
