Full version Indie Producers Handbook: Creative Producing ...

In The Indie Producer Handbook: Creative Producing from A to Z, Myrl Schreibman has undertaken a doubly daunting task. The first is to define the producer's role in the seemingly paradoxical context of a popular art form where the very best films are uniquely personal visions realized in fully collaborative ways.

Fellowship to aid producers | Hollywood Reporter

Building a production budget is arguably the most important part of the filmmaking process. It creates the framework for the project, a rough outline for what will eventually be a film. But, it's also one of the least fun parts of the process as well, probably just because it's so damn difficult. There are an infinite amount of moving variables and unknowns — yet another reason building ...
