### ERIC - EJ69721 - Integrating Culture into the EFL ...

Integrating ESL Students into the Classroom aims to expand the knowledge and experience base of teachers working with ELLs and thus improve the education and interaction these students receive. WORKBOOK DESCRIPTION Each of the six chapters in Integrating ESL Students into the Classroom is covered separately in this workbook.

### Integrating ESL Students into the Classroom

First, put students into groups (or if you have a small class do it all together). Hand out a piece of paper to each student. Next, read a cue (see an example below) to the students and have them write a sentence at the top of the paper. They then fold the paper so their sentence is hidden and pass the paper to the person on their right.

### How to Incorporate Integrated skills into the classroom

Exploration of culture in an EFL setting requires helping students engage in authentic situations to develop the ability to navigate across a variety of cultures. This intercultural ability requires language choices and awareness of oneself as a cultural being. It also requires critical thinking skills, which are themselves culturally defined.
