### Integrating Language Skills through Storytelling

They were instructed and trained in the four language skills through a storytelling-based suggested integrated instructional model developed by the writer. The effectiveness of the integrated instructional model was measured by using a pre-post test and applying Blake's modified gain ratio.

### Integrating Language Skills through Storytelling

Abstract. Storytelling is a receptive and productive educational resource in which social values, content and language are linked and integrated ( López Téllez, 1996, Hearn and Garcés, 2005, Miller and Pennycuff, 2008, etc.). Hence, as a current approach to language teaching, CLIL represents the best framework for providing young learners the effective acquisition of some topics from the curriculum ( Bentley, 2010, p.6).

### Integrating Curricular Contents and Language through ...

Stories give you an opportunity to acquire a language's grammar and syntax in the most natural way. When you read a story, for example, you can acquire grammar intuitively, understanding and adopting the patterns you notice. It's a bit like how children learn grammar rules.

### The Remarkable Power of Stories and Storytelling as Ways ...

Results also showed that storytelling is considered a useful resource to develop thinking skills and content language. As different topics had to be covered, student teachers often needed to prepare well for classes -find materials, resources and information from different sources-, which enhanced different language skills such as

Integrating skills can help students transfer skills, e.g. if students have to read a blog post before writing their own they'll become familiar with the structure and content which will help them write it. It also allows you to vary your activities in class, creating a more engaging and motivating experience for students.

### **How to incorporate integrated skills into the classroom**

Stories create magic and a sense of wonder at the world. Stories teach us about life, about ourselves and about others. Storytelling is a unique way for students to develop an understanding, respect and appreciation for other cultures, and can promote a positive attitude to people from different lands, races and religions.
