Leading Edge The leading edge is located at the bottom of the clubface. Precisely, it corresponds to the border of the sole as it meets the clubface, or in other words, the area where the clubface meets the sole. It is the area of the club head that is meant to penetrate the ground first when striking a ball, with an iron or a wedge for example.

About Leading at the Edge of Chaos Like a Surfer riding a wave, change can either propel you into the future, or you can watch it fade into the distance, while you sink into obscurity. Which side of the wave you remain on depends on how ready your business is for it. And that readiness depends on those you lead.
