CONNECTED BOOKS:

LOTHAIRE is the twelfth book in the Immortals After Dark series. It can be read as a standalone. It is better to read it as part of the series, however, because there is an overarching story and intricate relationships that are not really understandable to new readers.

Immortals After - QNovels

Lothaire was known throughout the Lore for collecting blood debts from immortals in dire straits, bargaining with them to make deals with the devil. Though he was proud of his overflowing ledger of entries, hoarding them, he'd already burned two because of Elizabeth. He'd forced a beholden oracle to keep tabs on her incarceration,
