In this approach the relevance of faith to the actual subject matter itself is not recognized. To be sure, having Christian educators is a necessary condition for Christian education, but it is not a sufficient condition. A third approach to Christian education is what I like to call the “discipline frosting” approach.

## Mapping Christian Education

The purpose of Christian education is the directing of the process of human development toward God's objective for man: godliness of character and action. It bends its efforts to the end "that the man of God may be perfect, thoroughly furnished unto all good works" (2 Tim. 3:17).
