Review of Mr Shaha's Recipes for Wonder, January 9, 2020. First, let me just assure you that this is a science book, not a cookery one. Even though there is very little computer-related stuff in it, I thought it worth reviewing here because STEM is flavour of the month, and indeed has been for several years. If we can get kids interested in ...

Review of Mr Shaha's Recipes for Wonder — ICT & Computing ...

Scientist Mr Shaha became aware of the possibilities of motion at an early age through examining the motor of his broken toy helicopter. His early curiosity grew so that as a science teacher, he was determined to include the creed of 'look, ask, play' within his lessons. Thereafter, he developed Mr Shaha's Recipes for Wonder. Within five scientific areas, Mr Shaha includes experiments ...
