My Book of Addition - Walmart.com - Walmart.com

I found this to be a great addition book for keeping up my 6-year-old's progress in math during the summer between kindergarten and first grade. I found the Kumon method of incrementally introducing problems that are just slightly harder than the last set to be a very good method.

My Book of Addition: KUMON PUBLISHING: Amazon.com.au: Books

Check the dust jacket to see if your book is a "Book Club Edition." Book club editions are books produced specifically for book-of-the-month clubs or similar services. Inside the dust jacket, instead of a price, it will either read "Book Club Edition" or have a 5-digit code for identification.
