### Next American Nation The New

Michael Lind's penetrating look at modern America. "The Next American Nation: The New Nationalism and the Fourth American Revolution," is one of those books. I should elaborate a bit on that statement: books that REALLY make me think are ones that I will ponder at odd times during the day, or think about as I am falling asleep at night.

A stimulating critique of every kind of orthodox opinion as well as a vision of a new "Trans-American" majority, The Next American Nation may forever change the way we think and talk about American identity. \* New York Newsday

### Next American Nation eBook by Michael Lind | Official ...

The Next American Nation, Lind's manifesto for what he calls "liberal nationalism," is essentially an updated and ambitiously elaborated version of this position. Lind is an unabashed statist - an avowed admirer of Alexander Hamilton - who advocates aggressive government action to promote social mobility and relative economic equality.

Woodward editorship. The series originated in the 1950s with a plan laid out by historians C. Vann Woodward and Richard Hofstadter for a multi-volume history of the United States, one that would provide a summary of the political, social, and cultural history of the nation for a general audience. The project proved to be more challenging than initially envisioned.
