NSSM 200 - bibliotecapleyades.net

NSSM 200 was the U.S. Government's formal response to the feverish effort in the private sector, especially in the latter part of the 1960s, to depopulate the earth or else we would all die. Most of these advocates for population control are forgotten, but one that is still known today is Paul Ehrlich.

The Life and Death of NSSM 200: How the Destruction of ...

NSSM 200 was written in 1974 under the direction of Secretary of State Henry Kissinger. The anti-population aspect of American foreign policy was actually well underway, with the creation of the US Agency for International Development (USAID) in 1961. NSSM 200 simply added the issue of national security as another justification.

NSSM 200: Understanding National Security Study Memorandum ...

As for the stated program of the Kissinger Report, the depopulation of the world, I must express complete and total disdain. The fact that there appears to be no evidence that NSSM 200 is no longer the official policy of the United States of America is cause for grave concern. Are these policies still in effect?
