On China Henry Kissinger

In his book 'On China', Kissinger presents his own understanding of China and demonstrates the importance of this country's cultural framework when it comes to its leadership and foreign policy. It is a highly detailed book on his work in China as a diplomat of the US government so if you are looking for information on how US-China relations developed during his term in the government it is an invaluable source.

On China: Kissinger, Henry: 9780143121312: Amazon.com: Books
