How to overcome shyness and social anxiety - 9 tips

Overcoming Social Anxiety And Shyness.

1) Think about the way you feel and behave around familiar people you are comfortable and spontaneous around. It's that feeling transferred to new people and situations that equates to your emerging social confidence. 2) Focus your attention away from yourself. Sure, you can think a little bit about how you are coming across, but if all your focus is on your own words and feelings then you might as well be by yourself.
