Pacenet Drug Formulary

The formulary explains what prescription drugs are covered by the plan. It also tells you if there are any rules that limit coverage of a drug. PACE provides prescription drugs and certain over-the-counter medications for all members. If you have Medicare, your prescription drug coverage is through Medicare Part D.

Formulary - PACE | Community Care, Inc.

A formulary is a list of covered drugs selected by Community Care in consultation with a team of health care providers, which represents the prescription therapies believed to be a necessary part of a quality treatment program.

PACE PROGRAM Formulary - Community Care, Inc.

PACE and PACENET eligibility is determined by your previous calendar year's income. Since 2014, Social Security Medicare Part B premiums are excluded from income. This change has the same effect as raising the income limits by that amount. For most Medicare beneficiaries, this amount is \$1,626.00 per person for a year.
