Public Relations: The Profession And The Practice by Dan ...

Relationships are everything in PR. One of the core purposes of the profession is establishing lasting connections with clients and the general public. Success in PR, therefore, inclines on a professional's ability to maintain rapport and bridge communication chasms by cultivating quality conversations and nurturing personal relationships.

The 10 characteristics of a successful PR professional ...

While the practice of public relations in the United States has undergone dramatic changes, a lack of diversity in the communications profession persists. Many studies indicate that the industry still struggles to attract young black, Asian and Hispanic professionals to pursue public relations as their career of choice.
