Rosi Braidotti 2013 The Posthuman

Braidotti outlines new forms of cosmopolitan neo-humanism that emerge from the spectrum of post-colonial and race studies, as well as gender analysis and environmentalism. The challenge of the posthuman condition consists in seizing the opportunities for new social bonding and community building, while pursuing sustainability and empowerment.

A full overview of contemporary enquiries about what constitutes the basic unit of reference for the human exceeds the scope of this essay. 3 What I will try to show instead is that the posthuman constitutes a trans-disciplinary field of scholarship that is more than the sum of its parts and points to a qualitative leap towards the construction of different subjects of knowledge (Braidotti, 2013). My aim is to provide a preliminary theoretical framework for this qualitative shift towards the ...

The Posthuman concludes by considering the implications of these shifts for the institutional practice of the humanities. Braidotti outlines new forms of cosmopolitan neo-humanism that emerge from the spectrum of post-colonial and race studies, as well as gender analysis and environmentalism.

Rosi Braidotti - Wikipedia

The Posthuman starts by exploring the extent to which a post-humanist move displaces the traditional humanistic unity of the subject. Rather than perceiving this situation as a loss of cognitive and moral self-mastery, Braidotti argues that the posthuman helps us make sense of our flexible and multiple identities.
