SAP Software Solutions | Business Applications and Technology

First, SAP is a corporate resource that is used across all of manufacturing so the type of buy-in and commitment required to bring the lab into the fold must be made at a higher level than perhaps the deployment of a LIMS, or an instrument interface. The second type of buy-in is required within the lab itself.

Integration of SAP into the Laboratory Workflow

A subsidiary of SAP SE, SAP Canada is headquartered in Toronto, Ontario.
