The Journal Impact Factor should be used with informed peer review. In the case of academic evaluation for tenure, it is sometimes inappropriate to use the impact of the source journal to estimate the expected frequency of a recently published article. Again, the Journal Impact Factor should be used with informed peer review.

Journal Impact Factors - Annual Reviews

Scientific Data is a peer-reviewed open access scientific journal published by the Nature Publishing Group since 2014. It focuses on descriptions of data sets relevant to the natural sciences, which are provided as machine-readable data, complemented with a human oriented narrative. The journal was not the first to publish data papers, but is one of few journals that purely publish data papers.
