Amazon.com: Sensation & Perception (Loose leaf edition for ...

Perception deals with the interpretation of those signals. What does a specific pattern of activity in our nervous system tell us about the world outside? Perception is likely to depend more on experience than sensory reception does. That said, a division between sensation and perception will not be clearly marked. It can't really be done.

Sensation and Perception, Fourth Edition

Mar 25, 2017 ... Finally, I am a coauthor on an undergraduate textbook entitled Sensation and Perception; it is the only current sensation and perception text to include an in- depth chapter on the vestibular system. This book is now in its fourth edition and is established as a popular sensation and perception textbook.
