Services Marketing, 5/e, recognizes that services present special challenges that must be identified and addressed in real circumstances. The heart
of the book's content is to develop strong customer relationships through quality service. The book also focuses on knowledge needed to implement

service strategies for competitive advantage across industries.

Services Marketing - Google Books

The latest edition of How to Market Books, 6th edition has arrived. Written by Alison Baverstock and Susannah Bowen, and published by Routledge, the new book must indeed be THE bible for the publishing industry today. It won't surprise you to know the first thing I did was go to the index to see if my name and business name were listed.
