Singapore Unlikely Power

In Singapore: Unlikely Power, John Curtis Perry provides an evenhanded and authoritative history of the island nation that ranges from its Malay origins to the present day. Singapore development has been aided by its greatest natural blessing—a natural deepwater port, shielded by mountain ranges from oceanic storms and which sits along one of the most strategic straits in the world, cementing the island's place as a major shipping entrepot throughout modern history.

Starting with the earliest known history of the region and its peoples, he takes us through Singapore's many trials, successes, and reinventions right up to the present day.

Singapore: Unlikely Power by John Curtis Perry

In 2015 Singapore in one estimate ranked as sixth among cities in “economic power,” exceeded only by New York, London, Tokyo, Hong Kong, and Paris. In the ease of doing business overall, the World...

Singapore: Unlikely Power | The National Interest

Singapore: Unlikely Power. (John Curtis Perry) written by Charles. Singapore is, in some ways, the modern Venice, a maritime city made wealthy by being in the right place, with the right assets, at the right time. Also like Venice, it doesn't loom large in the modern American imagination. Mostly, if we think of Singapore, it's as the setting for Crazy Rich Asians.

Singapore: Unlikely Power (John Curtis Perry) • The Worthy ...

Singapore: Unlikely Power. Singapore spent 2015 celebrating its jubilee as sovereign state, an event overshadowed by the death of its first prime

minister, Lee Kuan Yew, whose People's Action Party (PAP) has steered the island-nation's development since independence in 1965.

Singapore: Unlikely Power | Singapore Review of Books

Singapore: Unlikely Power John Curtis Perry Oxford University Press, 2017. Maritime and diplomatic historian, John Curtis Perry, presents a definitive history of the island nation, covering its transformation from a poor and corrupt colonial backwater into an economic powerhouse. The following extract focuses on the earliest beginnings of the port once known as "lion city".

Singapore by Perry, John Curtis (ebook) - eBooks.com

The Subordinate Courts of Singapore, known since 2014 as the State Courts. In judgments delivered in 2005 and 2009, the District Court, which is part of the State Courts, held that convictions under the Sedition Act should generally be punished with imprisonment to promote general deterrence, because of the serious effects of acts and statements offending racial and religious sensitivities.
