How to text a girl you like. If you want to learn the right way to text a girl, just use these 15 tips on how to text a girl you like and you'll see how easy it really can be. But remember to take your time and make your move only after watching her reciprocation. #1 Night time is the best time to text a girl.

### How to Text a Girl You Like and Make Her Want You

Text messages like these DO NOT differentiate you from the dozens of other men that are also texting your girl. Big Mistake #2: The second big mistake is texting a girl too often. Text messages should be used sparingly in order to create intrigue, suspense, and arousal.

### Ultimate Guide to Texting Girls (Cheat Sheet)

Make sure you keep your text message short and sweet, though. A simple text won't just let her know that you are thinking about her and her well-being, but it will require her to respond as well. But caution: your first text is often the most important simply because if it sucks, then it's practically game over for you.
