[8Y3]» The Art of Unit Testing: With Examples in .Net ...
The true value, is learning and understanding the art of unit testing. I have read reviews and spoken to many developers who claim to have read this book, and they often use the line that it validated what they were already doing or knew. However, when you read their code or more directly their Unit tests they're still doing it wrong!

THE ART OF UNIT TESTING, 2ND EDITION » Download Free ...
I recently finished reading Roy Osherove's The Art of Unit Testing. I was kind of splitting my time reading it and Growing Object Oriented Software Guided by Tests, which I just recently reviewed as well. One nice thing about this book is that it comes with an eBook once you register it with Manning.
