The book of batik (Book, 1971) [WorldCat.org]

The interest in batik in Europe emerged after the Governor of Java has published his book about the history of this art. In 1835, the first batik factory was opened in the Dutch city of Leiden. The Europeans have improved the technology and started the mass production of batik.

The Art Of Batik: History, Traditions and Techniques | L ...

Batik, method of dyeing in which patterned areas are covered with wax so they will not receive the colour. The method is used mainly on cottons and in the traditional colours of blue, brown, and red. Multicoloured and blended effects are obtained by repeating the dyeing process several times, with the initial pattern of wax boiled off and another design applied before redyeing.
