Scores of young mothers agree that Carley Roney's "The Bump Pregnancy Planner and Journal" is the best resource and tool that they can have. This book is full of tips of what to eat, places to record questions for the obgyn, prenatal exercise suggestions; preparing for the coming baby month by month and so much more.

### **The Bump Pregnancy Planner & Journal by Carley Roney**

This pregnancy planner & journal is really nice and well-made. It would be perfect if it had a blank calendar and a place to write your own "to-do" checklist. Even adding a few blank "Notes" page at the end would be a very helpful addition to this book. I'm surprised, really, there isn't space anywhere for unprompted writing.
