Read Free The Colony A History Of Early Sydney

A colony is a territory under the immediate complete political control and occupied by settlers of a state, distinct from the home territory of the sovereign. For colonies in antiquity, city-states would often found their own colonies. Some colonies were historically countries, while others were territories without definite statehood from their inception. The metropolitan state is the state that rules the colony. In Ancient Greece, the city that founded a colony was known as the metropolis.
