Unraveling the Mystery of Health: How People Manage Stress and Stay Well (JOSSEY BASS SOCIAL AND BEHAVIORAL SCIENCE SERIES) Hardcover - February 27, 1987 by Aaron Antonovsky (Author)

Unraveling the Mystery of Health: How People Manage Stress ...

Unraveling the mystery of health: How people manage stress and stay well. Antonovsky's approach—first presented in his groundbreaking book, "Health, Stress, and Coping"—is to uncover the psychological, social, and cultural resources that people can and do use successfully in resisting illness. In that earlier book, Antonovsky showed how a "sense of coherence," or way of making sense of the world, is a major factor in determining how well a person manages stress and stays healthy.
