### Events — Amy Catanzano

Brenda Iijima's involvements occur at the intersections and mutations of poetry, research movement, visual arts, floral and faunal studies and ecological sociology. Her current work focuses on missing persons and submerged histories, extinction and other-than-human modes of expression.

### **JUNE 2019 - Poetry - The Brooklyn Rail**

This seminar considers the intersections of queerness and Indigeneity in the Indigenous literatures and arts of North America. By reading fiction, poetry, memoir, and critical theory as well as examining cinema, performance art, and visual art, we will analyze how queer Indigenous authors/artists conceive of Indigeneity through anti-colonial conceptions of gender, sexuality, embodiment, and sociality.

### **Fall 2020 - Department of English UCLA**

The seminar takes a broad perspective on architectural actors, including writers, activists, architects, planners, and occupants. We view as central the ways that critical theories of race, gender, class, sexuality, and disability inform these intersections. 3. Realism and/or Modernism [CLOSED] THIS SEMINAR IS CLOSED

Humanities in Place supports a fuller, more complex telling of American histories and lived experiences by deepening the range of how and where our stories are told and by bringing a wider variety of voices into the public dialogue.

### **Humanities in Place | The Andrew W. Mellon Foundation**

So much more than a coffee table art book, Intersections: Art and Poetry contains 40 poems by gifted Sheboygan County, WI poets as well as photographs of 40 stunning visual works by their artist counterparts. The images are vivid, in both the art and the poems. You won't regret ordering this book.

### **Intersections: Art and Poetry: Sheboygan Visual Artists ...**

Poetry itself is a type of art, but did you know that you can create poetry to look like art, too? Visual poetry is a poem that uses patterns, colors, and unique layouts to further communicate the words within the poem. Visual poetry is an effective way to engage the reader by using basic design principles.
